OGC HAS REVIEWED.MEMORANDUM TO: ALL ADMINISTRATIVE OFFICERS AND TIME AND ATTENDANCE

SUBJECT : Preparation of Agency Form 34-42, "Time and Attendance Report and Pay Roll Change Slip", and Related Data

REFERENCE :

25X1A

1. It seems appropriate to request that personnel for whom you maintain Time and Attendance Reports be advised to refer their questions to you first for answer. This will eliminate, to a large extent, some of the many routine calls to the Payroll Branch, Fiscal Division. If possible, it is desired that you answer the employee's question, based upon the general information that has been furnished you; however, if you are not certain of the correct answer, and desire to contact the Payroll Branch for clarification, this memorandum is in no way to be interpreted as an objection to your calling that Branch for assistance in obtaining the appropriate answer.

2. Leave transcripts from other agencies do not always reach this Office as rapidly as they should. Until such time as a transcript is received in the Payroll Branch, the leave records reflect only the amount of leave to the employee's credit since his date of entrance on duty with this Organization. In order not to inconvenience the employee, and because of insufficient time to trace the leave transcript, up to ten actual working days of sick and/or annual leave will be honored for those employees in whose cases it has been established that leave is to be transferred from another agency. In such cases, a statement must be submitted by the employee attesting that he has a sufficient amount of leave available and the name of the Government agency, with address, from which the leave will be transferred. Such statements must be approved by office chiefs, or their designated representatives, and attached to the Time and Attendance Report on which the leave is reported.

3. Your attention is invited to the necessity of cooperating in meeting the deadline for the receipt of the Time and Attendance Reports. It is mandatory that all reports be prepared with the utmost precaution and delivered by hand to Room 1710, Quarters Eye, to insure their arrival in the Payroll Branch for audit not later than 1600 hours on the Monday following the close of the reporting period.

4. Regulations require Time and Attendance Reports to be posted daily. Experience has proven it advisable to prepare a Report for each employee at the beginning of each pay period. The daily posting will be necessary only for those employees who take leave, perform night duty, or work compensatory time, overtime, or on a holiday. In this way, the Reports will reflect at all times the status of the employee on

any day during the pay period. Inspections may be made to determine that these records are maintained on a daily basis. ✓

5. As the Organization grows, it becomes more and more difficult to meet the pay roll deadline established by the Treasury Department, and requirements can be complied with only if the Time and Attendance Report for each individual is received by the Payroll Branch within the time limit set forth in Paragraph 3. A log is maintained in the Payroll Branch showing the hour and date Reports are received from each reporting unit. Whenever Reports are not delivered within the specified time it may be necessary to stop salary payments to the employees for whom no Reports have been received. The extreme importance of observing the time limitations of having Time and Attendance Reports in the Payroll Branch by 1600 hours on the Monday following the close of the fourteen-day reporting period must be stressed.

6. Salary checks will be distributed by the Payroll Branch to the officially designated Payment Clerks of the office in which employees are assigned. A pay roll list containing the names of employees will accompany each group of checks. The signed pay roll lists, evidencing receipt of checks and delivery to the listed employees, must be returned to the Payroll Branch by the close of business the second workday following delivery of the checks to the Payment Clerk. Undelivered checks, accompanied by a memorandum stating the reason for non-delivery, must be returned at the same time. It is understood that, by virtue of necessity, certain cases may require special handling with regard to the delivery of an individual pay check. In such instances, the details of the delivery may be worked out by the employee involved and the Payroll Branch with the knowledge and concurrence of the office in which the employee is working. The Payment Clerk must exercise extreme care in the handling of checks in order that they may not become lost and to insure that security is not violated.

7. In the event an employee will be absent from duty on pay day and is unable to pick up his check, he may, if he desires, have the check mailed to him. A memorandum must be submitted through appropriate channels to the Payroll Branch requesting that the check be mailed, including mailing instructions to be followed. Should the employee desire to have his check forwarded via other than ordinary postal delivery (i.e., by air mail or special delivery), the required postage should be forwarded with the memorandum. Employees should discontinue sending stamped, self-addressed envelopes since checks are mailed in Treasury Department envelopes.

8. To aid in the execution of Time and Attendance Reports, and to facilitate your work in connection with this function, there are attached instructions for the Preparation of Agency Form 34-42, "Time and Attendance Report and Pay Roll Change Slip".
